Dear Mr. Smith:

On behalf of Public Media Connect (CET/ThinkTV), I want to thank the Broadcast Education Media Commission for their efforts to transfer the Montgomery County Tower Land from the State of Ohio to Greater Dayton Public Television, Inc.

I especially want to recognize Executive Director, Geoffrey Phillips for his professionalism and follow through managing this project from beginning to end. Mr. Phillips' knowledge and guidance through this process was a tremendous resource.

Thanks again to the BEMC. I sincerely appreciate your service to Ohio Public Television stations.

Sincerely,

Kitty Lensman
